Virtual and in-person presentations including live harp and demonstrations

Engage your community group, school, or club with the inspirational sounds and stories of harp.

Choose a focus topic (or multiple) that will best resonate with your audience:

- Live therapeutic music
- The healing process
- Self-care and whole-person care
- The history of harp
- Inspirational messages

About Presenter

Presenter and harpist, Barbara W. Lepke-Sims is an experienced and caring harpist, performer, educator, live therapeutic musician, consultant, and administrator.

Barbara is a Certified Music Practitioner (CMP) and has positively influenced the healing process for numerous patients and staff through live therapeutic music, a supportive complementary healthcare intervention. Her credentials include a Master of Music (MM) from The Juilliard School and a Certificate in Theology from Denver Seminary.

Visit sacredspaceharp.com to contact Barbara.

"I cannot begin to tell you how many fabulous comments you received from Tuesday Morning members. WOW!"
